Manor Vail's idyllic location graces the banks of Gore Creek and looks out to Vail's Golden Peak Base Area. Here, you are surrounded by the fun. Ford Park, the Amphitheater and Betty Ford Botanical Garden are across the covered bridge in the backyard and all of Vail Village awaits you in the front. We are amidst the bike paths, golf course, hiking trails, chairlifts and all that Vail can offer. Rest easy, our off-the-beaten-path location remains quiet and uninterrupted by Vail's world-class shopping, dining and nightlife.

After a satisfying day or evening out, return to your home within the lodge—your own private condominium, where everything you might need has been thoughtfully anticipated. The same is true when you visit any of our fine amenities. Manor Vail's Lord Gore Restaurant is renowned for distinctive cuisine and unforgettable views. Fitzwilliam's Lounge is our guests favorite stop for casual cocktails by the bar, or out on the deck.
