

Why Book a Condominium Versus a Hotel Room?

10/27/2021

Family Time – Family vacation should be about spending time with the family. The perks of staying in a condo at Vail allow for just that, family time. Enjoy the spacious living room, kitchen, balcony, and bedrooms.

The Kitchen – One important difference in having a condominium versus a hotel is the kitchen. Heading out to dinner every night of the week can add up. Having the availability to go to the grocery store or get groceries delivered to cook at home is a big perk.

Outdoor Swimming Pools – Did you know that Manor Vail Lodge is the only hotel in Vail with two outdoor swimming pools? The beauty of staying at a condominium hotel like Manor Vail Lodge is the ability to have your own pool, based on where you are staying on the property. Studios and One-bedrooms have their own pool, as does the two- and three-bedroom condominiums (which was recently remodeled in 2021). To see the most recent property pool enhancements, [click here](#).

Breakfast Included – Another perk of staying at Manor Vail is what when guests book direct, breakfast is included. When you're ready to hit the slopes on a powder day, leave the early morning cooking to us!

Ski Rentals – In partnership with Vail Sports, Manor Vail Lodge offers complimentary ski valet as well as 20% off ski and snowboard rentals.

Stay next to the slopes – Manor Vail Lodge is just a short walk to chair #6 (Riva Bahn Express) and children's ski school lift chair #12 (Gopher Lift).

Daily housekeeping provided to each condominium – While you're out skiing and snowboarding, our dedicated team will come by to clean your condo, refresh your towels and linens and remove all trash. When you come down off the mountain after a long day of skiing, you'll step into a freshly cleaned

condominium.

Friendly Service – When you're here, you are family. Many of the guests of Manor Vail Lodge are return guests. Once you come once, you'll never stay anywhere else. Come experience the genuine and authentic service of Manor Vail.

Past Guest Perks – Once you stay once, you'll get access to exclusive past guest rates. As a past guest of Manor Vail Lodge, you will get exclusive additional discounts on summer and winter stays when you book direct.

Proximity to the slopes, Ford Park and Vail Village – Enjoy the beauty of staying off the beaten path, but close to enough to walk to Vail's best shops and restaurants.
